

Dear Friends of New Leaf,

New Leaf has always been committed to helping the Canadian church move into our collective future. Our Network is a collaborative organization that supports and equips church planters, spiritual entrepreneurs and missional practitioners for post-Christian Canada. Through training, events, story-telling and specialized coaching, this growing collective of Jesus-centred leaders is a community of innovators working to lead toward a new future in Canada.

Up until the beginning of March, New Leaf has accomplished much of its work through high impact and in-person events. Obviously, all of that changed because of the pandemic. In a few short weeks, we have fast-tracked a number of our long-term plans for an online learning platform, and have launched ourselves into helping the Canadian church anticipate the future. We are excited to report that Canadians from across the country, especially leaders in remote and unserved areas, are now able to connect with these vital conversations. There is a wave of change coming and we are here to help the whole Canadian church get ready.

To accomplish this shift *New Leaf* has had to step out in faith. Our funding model, while previously successful, is not sustainable in the current moment. As we wrestle with these new limits, we are looking for partners who will support the work we do. We are looking to individuals, churches, and organizations to consider giving either a one-time donation or to offer ongoing monthly support. Our current fundraising goal is to raise \$5000 a month to ensure that New Leaf can continue providing new and vital resources to the Canadian church. We're calling it operation "Sprout New Leaves" and here's how we'll get there: 200 people @ \$25/month, 100 people @ \$50/month, 50 people @ \$100/month, and 5 people @ \$1000/month. All donations are tax-deductible.

Here are a few examples of what your gift could directly support:

[Online Learning Platform](#) -New Leaf Neighbourhood (Co-working Cafe, Prayer, Learning Centre)

[Online infrastructure and Web Presence](#) - Website, email marketing, podcast, blog
Staffing costs - 3 staff members at 58 hours/week

[Multivocational Ministry Training](#) - Training focused on thriving in a multivocational future, based on Canadian research we facilitated.

[Discernment Pathway](#) - A discernment process for potential church planters and starters.

Thank you for prayerfully considering how you can play a role in equipping new communities and Jesus-centred leaders all across Canada. We are excited to have you join us in watching what God will do through the Canadian church.

Sincerely,

[name] and the New Leaf Team
